Review: I read this book during a visit to Cuba. It was amazing to see and walk through the streets and plazas where the book takes place, to see the statue of Cecilia Valdes, and to understand what Cuba was like during the era of slavery. Its a long book, written in an old style (like a Dickens novel). But it is worth reading if you are planning a trip...

Description: Cecilia Valdés is arguably the most important novel of 19th century Cuba. Originally published in New York City in 1882, Cirilo Villaverdes novel has fascinated readers inside and outside Cuba since the late 19th century. In this new English translation, a vast landscape emerges of the moral, political, and sexual depravity caused by slavery and colonialism....
